

You are: An attorney? Own an estate agency?  
A developer? Or an independent originator?

**You have thought of tapping into  
the lucrative revenue stream of  
bond origination?**

**Green Door** Advanced Home Loans  
now offers you the opportunity to  
**integrate bond origination into  
your current business** without  
additional infrastructure or having  
to establish your own processes  
and systems.

**Your membership of the Green Door Bond Origination Process provides for:**

- Training of your representative and assessment against a balanced score card
- A link to the Green Door Process Back Office where the whole process is managed to ensure quality
- Local and national brand publicity
- Contracted directly with all major banks
- We also offer expert assistance with commercial and industrial loans.

**Why not get access to Green Door's corporate quality systems and processes and tap into a lucrative revenue stream (while eliminating wasted time and money in trying to re-invent the wheel)?**
